

Grove Universal 4 Pin to Beaglebone Blue 6 Pin Female JST/SH Conversion Cable (10 pcs pack)

SKU 114991496

Description

The Beaglebone series are one of the most famous open source development board in the world. Previously we have developed the Grove cape for Beaglebone Series, it makes most Beaglebone board reachable to the great Grove system which includes more than 150+ different kind of modules such as sensors, displays, actuators etc. However the Beaglebone Blue has very different layout from most of the other Beaglebone board, which makes it not possible using the Grove cape to connect Grove modules. That's why we make this cable - Grove Universal 4 Pin to Beaglebone Blue 6 Pin Female JST/SH Conversion Cable (10 pcs pack).

It is a conversion cable specially make for using Grove with Beaglebone Blue via GPIO and ADC, on one side is the Grove Universal 4 Pin connector, on the other side is Beaglebone Blue 6 pin JST/SH connector. We also provide Grove Universal 4 Pin to Beaglebon Blue 4 pin Conversion Cable, please clicik here to buy.
