

BG-COMMANDER

**Universal Advanced IP/RS232/422 Controller
(Available in black)**

The BG-Commander PTZ joystick controller gives users instantaneous and accurate pan, tilt, and zoom control for both IP and serial controllable PTZ cameras. Equipped with Power over Ethernet functionality, this IP joystick allows for a fast and clean installation. Simply connect to a PoE-compatible network switch, add a camera, and start controlling. This controller is an essential addition for houses of worship, studios, and venues featuring multi-camera setups.

Simple enough for entry-level operators, yet equipped with a feature set professionals desire, the BG-Commander joystick is designed to take your production to the next level.

Instant Control at Your Fingertips

- Instantaneous and accurate pan, tilt, and zoom control for both IP and serial controllable PTZ cameras
- Variable PTZ speed control for tailoring pan, tilt, and zoom motor movements
- The push-button preset function makes it simple to switch between static shots
- Four control modes for long distance PTZ camera control: two IP modes (IP VISCA, ONVIF) and two analog modes (RS422, RS232)

Synergetic Technologies & Connections

- Power over Ethernet (PoE) functionality enables power and control via a single ethernet cable
- IP control easily controls any compatible IP camera
- Utilize IP and serial protocol connections simultaneously

Quality Construction and Detail

- Solid, durable case ensures reliability for mobile production and permanently installed environments
- Access intuitive setup menu via the brilliant on-screen display to quickly adjust parameters
- Enhanced buttons & LCD backlights

Specifications

Parameters / Model	BG-Commander
Chip	His3536DV100
System	Linux
Protocol	VISCA, ONVIF, PELCO-P, PELCO-D,VISCA OVER IP
Output	RS422, RS232, RJ45
Beep	On/off
Screen	TFT LCD 320*240
Power consumption	≤5W
Power	DC12V-2A
Work temperature	-10°C ~55°C / 14°F~131°F
Work humidity	20%~80% frostless
Storage temperature	-10°C ~60°C / 14°F~140°F
Storage humidity	0~90% frostless
Dimensions	324 x 238 x 146 mm
Weight	5.4 lbs

Industry-Leading Warranty & Support

BZBGEAR Pro AV products and Cameras come with a three-year warranty. An extended two-year warranty is available for our Cameras upon registration for a total of five years.

We pride ourselves in our Customer Service and seven-days-a-week Tech Support.

The graphic consists of three dark grey rectangular boxes. The first box on the left contains the text 'Pro AV' above a large number '3' and 'Year Warranty' below it. The second box in the middle contains the text 'Cameras' above a large number '5' and 'Year Warranty' below it. The third box on the right is larger and contains the text 'Lifetime' in a large font above 'Product Support' in a smaller font.
