SIEMENS

Data sheet

Pushbutton, 22 mm, round, plastic, yellow, pushbutton, flat, momentary contact type, with holder 1 NO+1 NC, spring-type terminal, Z=20-unit packaging

product brand name	SIRIUS ACT
product designation	Pushbuttons
design of the product	Complete unit
product type designation	3SU1
product line	Plastic, black, 22 mm
manufacturer's article number	
 of supplied contact module at position 1 	3SU1400-1AA10-3FA0
 of the supplied holder 	3SU1550-0AA10-0AA0
of the supplied actuator	3SU1000-0AB30-0AA0
number of command points	1
Actuator	
design of the actuating element	Button, flat
principle of operation of the actuating element	momentary contact type
product extension optional light source	No
color of the actuating element	yellow
material of the actuating element	plastic
shape of the actuating element	round
outer diameter of the actuating element	29.45 mm
number of contact modules	1
Front ring	
product component front ring	Yes
	Yes Standard
product component front ring	
product component front ring design of the front ring	Standard
product component front ring design of the front ring material of the front ring	Standard plastic
product component front ring design of the front ring material of the front ring color of the front ring	Standard plastic
product component front ring design of the front ring material of the front ring color of the front ring Holder	Standard plastic black
product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder	Standard plastic black
product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display	Standard plastic black Plastic
product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules	Standard plastic black Plastic
product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data	Standard plastic black Plastic 0
product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data product function positive opening	Standard plastic black Plastic 0 Yes
product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data product function positive opening product component light source	Standard plastic black Plastic 0 Yes No
product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data product function positive opening product component light source insulation voltage rated value	Standard plastic black Plastic 0 Yes No 500 V
product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data product function positive opening product component light source insulation voltage rated value degree of pollution type of voltage of the operating voltage surge voltage resistance rated value	Standard plastic black Plastic 0 Yes No 500 V 3
product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data product function positive opening product component light source insulation voltage rated value degree of pollution type of voltage of the operating voltage	Standard plastic black Plastic 0 Yes No 500 V 3 AC/DC
product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data product function positive opening product component light source insulation voltage rated value degree of pollution type of voltage of the operating voltage surge voltage resistance rated value	Standard plastic black Plastic 0 Yes No 500 V 3 AC/DC 6 kV
product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data product function positive opening product component light source insulation voltage rated value degree of pollution type of voltage of the operating voltage surge voltage resistance rated value protection class IP	Standard plastic black Plastic 0 Yes No 500 V 3 AC/DC 6 kV IP66, IP67, IP69(IP69K)

according to IEC 60068-2-27	sinusoidal half-wave 15g / 11 ms
 for railway applications according to EN 61373 	Category 1, Class B
vibration resistance	
according to IEC 60068-2-6	10 500 Hz: 5g
 for railway applications according to EN 61373 	Category 1, Class B
operating frequency maximum	3 600 1/h
mechanical service life (switching cycles) typical	10 000 000
electrical endurance (switching cycles) typical	10 000 000
thermal current	10 A
reference code according to IEC 81346-2	S
continuous current of the C characteristic MCB	10 A; for a short-circuit current smaller than 400 A
continuous current of the quick DIAZED fuse link	10 A
continuous current of the DIAZED fuse link gG	10 A
Substance Prohibitance (Date)	10/01/2014
operating voltage	
• at AC	
— at 50 Hz rated value	5 500 V
— at 60 Hz rated value	5 500 V
at DC rated value	5 500 V
Power Electronics	
contact reliability	One maloperation per 100 million (17 V, 5 mA), one maloperation per 10
contact reliability	million (5 V, 1 mA)
Auxiliary circuit	
design of the contact of auxiliary contacts	Silver alloy
number of NC contacts for auxiliary contacts	1
number of NO contacts for auxiliary contacts	1
Connections/ Terminals	
	anning leaded terminals
type of electrical connection	spring-loaded terminals
of modules and accessories	Spring-type terminal
type of connectable conductor cross-sections	0.4 /0.05
solid without core end processing	2x (0.25 1.5 mm²)
finely stranded with core end processing	2x (0.25 0.75 mm²)
finely stranded without core end processing ANAC set less.	2x (0.25 1.5 mm²)
• at AWG cables	2x (24 16)
tightening torque of the screws in the bracket	1 1.2 N·m
Ambient conditions	
ambient temperature	
 during operation 	-25 +70 °C
during storage	-40 +80 °C
environmental category during operation according to IEC 60721	3M6, 3S2, 3B2, 3C3, 3K6 (with relative air humidity of 10 95%, no condensation in operation permitted for all devices behind front panel)
	condensation in operation permitted for all devices benind from paner)
Installation/ mounting/ dimensions	
fastening method	front plate mounting
of modules and accessories	Front plate mounting
height	40 mm
width	30 mm
shape of the installation opening	round
mounting diameter	22.3 mm
positive tolerance of installation diameter	0.4 mm
mounting height	11 mm
installation width	29.5 mm
installation depth	71.7 mm
Certificates/ approvals
