

# Cord Grips & Accessories

## Multi-Hole Bushings

NBR multi-hole bushing

Fits SAB  
Metric, PG, or NPT  
cord grips

Multi-hole bushings are ideal for when there is limited space on a control cabinet or when you have multiple smaller cables that need to be secured. They are made of black neoprene and, when used with a SAB cord grip, will provide an excellent seal.

### Technical data:

**Material:** Chloroprene (CR)  
**Color:** Black
