

## SATA to LP4 Power Cable Adapter - 7-Pin (Male) to LP4 (Female), 20 in. (50.8 cm)

MODEL NUMBER: P948-20I

SATA to Molex LP4 power cable adapter connects a slimline SATA hard drive to a controller or motherboard SATA port.

### Features

**SATA to LP4 Power Cable Supports Data Transfer Speeds up to 6 Gbps** This LP4 to SATA power adapter connects your slimline SATA drive to a standard SATA controller or motherboard. The 20-inch cable features a slimline 15-pin SATA data/power connector on one end and a standard 7-pin SATA data connector and 4-pin Molex LP4 power connector on the other end. The narrow-profile cable helps reduce clutter inside the computer or server housing, which also increases airflow needed to help cool the equipment.

## Specifications
