

## B.220 | Knurled grip knobs

Duroplast

METRIC

### MATERIAL

Phenolic based (PF) Duroplast, black colour, glossy finish.

### STANDARD EXECUTION

Black-oxide steel hub, plain blind hole.

## GN 6303.1 | Quick-tightening knurled knobs

## Steel

METRIC

### MATERIAL

Black-oxide steel.

### STANDARD EXECUTION

Pass-through and oblique hole, partially threaded.

### APPLICATIONS

GN 6303.1 knurled knobs are used when quick tightening is required with only a slight clamping force.

### ASSEMBLY INSTRUCTIONS

The knob is placed in the axial position so that it fits onto the pin threads. At this point it can be locked with just a slight rotation.
