Product Description

The Scotch-Brite™ Clean & Shine Pad is a low-speed (175-600 RPM) scrubber pad for daily cleaning and virtually dustless polishing.

- Cleans and shines in the same step, using only a low-speed scrubber.
- Increases shine with repeated use and may result in reduction or elimination of burnishing.
- Designed with contrasting color to provide visible wear indication.
- Usable on both sides with the same proprietary coating.

Special Features

- Exceptional cleaning, mark removal and shine improvement (gloss and/or distinctness of image) with water only.
- Designed for use on both sides for ease of use and extended life.
- Compatible with water, detergents, or cleaners normally used for floor maintenance.
- Color contrast between pad interior and surface coating provides wear indication.

Applications

This product is used for routine cleaning or light scrubbing under an auto scrubber or other standard low speed (175-600 RPM) floor cleaning equipment using water or detergent solution.

For use on most finish-coated or uncoated flooring including; vinyl, sheet vinyl, LVT, VCT, rubber, linoleum, ceramic tile, marble, terrazzo, granite and concrete.

Packaging and Marking

Each carton shall be labeled to identify the contents by product name, size, quantity and manufacturer. Each pad shall be printed with the product name.

Standard Sizes

Circular discs and rectangles are available in a variety of common sizes. Pads are nominally one inch thick.

Pad Use and Cleaning

Dust mop entire floor prior to cleaning. Install appropriate sized Clean & Shine pad/s on your cleaning equipment. If using a rotary auto scrubber, a center hub attachment is required. Fill the scrubber tank with water or properly diluted cleaning solution. Clean floor.

Pads may be rinsed with water to remove soil and debris as needed.

Storage

Store indoors in original packaging and under normal facility conditions.

Product Characteristics

Scotch-Brite™ Clean and Shine		Test Method
Fiber Type	Polyester	N/A
Weight (4 in. by 6 in.)	22 g	N/A
O.D. Dimension	Designated Size ± 1/16 in.	N/A
Thickness	1 in. nominal	CCD0002
Aggressiveness	N/A	CCD0020
Packaging Recycle Content	50-100% postconsumer recycled material	N/A

The Scotch-Brite™ Clean & Shine Pad is certified by Green Seal® for Environmental Innovation based on a design for significantly improved initial performance compared to competitive products, extending the useful life of the floor pad and reducing solid waste generation

 **DANGER**

Indicates a hazardous situation which, if not avoided, will result in serious injury or death.

 **WARNING**

Indicates a hazardous situation which, if not avoided, could result in serious injury or death

 **DANGER**

To reduce the risks associated with inhalation of or exposure to contaminants:

- DO NOT use this product on any asbestos-containing material.

 **WARNING**

To reduce the risks associated with inhalation of or exposure to contaminants:

- Ensure this product is used in the recommended applications with the suggested equipment.
- Do not allow this product to be used by untrained operators.
- Always follow standard safety practices, including wearing appropriate protective apparel and eye protection, while using this product.

Health and Safety

 **CAUTION**

When handling any chemical products, read the manufacturers' container labels and the Safety Data Sheets (SDS) for important health, safety and environmental information. To obtain SDS sheets for 3M products go to [3M.com/SDS](https://www.3m.com/SDS), or by mail or in case of an emergency, call 1-888-364-3577 or 1-651-737-6501.

When using any equipment, always follow the manufacturers' instructions for safe operation.

Technical Information

The technical information, guidance, and other statements contained in this document or otherwise provided by 3M are based upon records, tests, or experience that 3M believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license under any 3M or third party intellectual property rights is granted or implied with this information. If you have questions about this Product, contact the **Customer Service Department at 1-800-626-8578**.

Product Selection and Use

Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

Warranty, Limited Remedy, and Disclaimer

Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability

Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
