Pushbutton, 22 mm, round, metal, shiny, yellow, pushbutton, flat momentary contact type, with laser labeling, upper case and lower case, always upper case at beginning of line

product brand name     SIRIUS ACT       product designation     Pushbuttons       design of the product     Actuating/signaling element       product type designation     3SU1       product line     Metal, shiny, 22 mm       Enclosure     Image: Command points       number of command points     1       Actuator     Gesign of the actuating element       principle of operation of the actuating element     Flat button       product extension optional     No       • light source     No       • contact module     Yes       color of the actuating element     plastic       shape of the actuating element     plastic       shape of the actuating element     cound       outer diameter of the actuating element     cound       marking of the actuating element     customized labeling, text in lower case / capital letters, all lines start with capital letter       Front ring     Yes       design of the front ring     Standard       material of the front ring     Metal, high gloss
design of the product   Actuating/signaling element     product type designation   3SU1     product line   Metal, shiny, 22 mm     Enclosure   1     Actuator   design of the actuating element     principle of operation of the actuating element   Flat button     product extension optional   • light source     • contact module   Yes     color of the actuating element   plastic     shape of the actuating element   round     outer diameter of the actuating element   customized labeling, text in lower case / capital letters, all lines start with capital letter     Front ring   Yes     product component front ring   Yes     design of the front ring   Metal, high gloss
product type designation   3SU1     product line   Metal, shiny, 22 mm     Enclosure   1     Actuator   1     design of the actuating element   Flat button     principle of operation of the actuating element   momentary contact type     product extension optional   • light source     • contact module   Yes     color of the actuating element   plastic     shape of the actuating element   round     outer diameter of the actuating element   29.5 mm     marking of the actuating element   Customized labeling, text in lower case / capital letters, all lines start with capital letter     Front ring   Yes     design of the front ring   Yes     design of the front ring   Metal, high gloss
Product line   Metal, shiny, 22 mm     Enclosure   1     Actuator   1     design of the actuating element   Flat button     principle of operation of the actuating element   momentary contact type     product extension optional   • light source     • contact module   Yes     color of the actuating element   plastic     shape of the actuating element   plastic     shape of the actuating element   29.5 mm     outer diameter of the actuating element   29.5 mm     marking of the actuating element   Yes     product component front ring   Yes     design of the front ring   Metal, high gloss
Enclosure   1     Actuator   design of the actuating element   Flat button     principle of operation of the actuating element   momentary contact type     product extension optional   • light source     • contact module   Yes     color of the actuating element   plastic     shape of the actuating element   plastic     shape of the actuating element   29.5 mm     marking of the actuating element   29.5 mm     marking of the actuating element   Standard     marking of the actuating element   Standard     material of the actuating element   Standard
number of command points   1     Actuator   Flat button     design of the actuating element   Flat button     principle of operation of the actuating element   momentary contact type     product extension optional
Actuator     design of the actuating element   Flat button     principle of operation of the actuating element   momentary contact type     product extension optional
design of the actuating element   Flat button     principle of operation of the actuating element   momentary contact type     product extension optional   •     • light source   No     • contact module   Yes     color of the actuating element   yellow     material of the actuating element   plastic     shape of the actuating element   round     outer diameter of the actuating element   29.5 mm     marking of the actuating element   Customized labeling, text in lower case / capital letters, all lines start with capital letter     Front ring   Yes     design of the front ring   Standard     material of the front ring   Metal, high gloss
principle of operation of the actuating element   momentary contact type     product extension optional   No     • light source   No     • contact module   Yes     color of the actuating element   yellow     material of the actuating element   plastic     shape of the actuating element   round     outer diameter of the actuating element   29.5 mm     marking of the actuating element   Customized labeling, text in lower case / capital letters, all lines start with capital letter     Front ring   Yes     design of the front ring   Standard     material of the front ring   Metal, high gloss
product extension optional   No     • light source   No     • contact module   Yes     color of the actuating element   yellow     material of the actuating element   plastic     shape of the actuating element   round     outer diameter of the actuating element   29.5 mm     marking of the actuating element   Customized labeling, text in lower case / capital letters, all lines start with capital letter     Front ring   Yes     design of the front ring   Yes     design of the front ring   Metal, high gloss
• light source   No     • contact module   Yes     color of the actuating element   yellow     material of the actuating element   plastic     shape of the actuating element   round     outer diameter of the actuating element   29.5 mm     marking of the actuating element   Customized labeling, text in lower case / capital letters, all lines start with capital letter     Front ring   Yes     design of the front ring   Yes     design of the front ring   Standard     material of the front ring   Metal, high gloss
• contact module   Yes     color of the actuating element   yellow     material of the actuating element   plastic     shape of the actuating element   round     outer diameter of the actuating element   29.5 mm     marking of the actuating element   Customized labeling, text in lower case / capital letters, all lines start with capital letter     Front ring   Yes     product component front ring   Yes     design of the front ring   Standard     material of the front ring   Metal, high gloss

marking of the actuating element   Customized labeling, text in lower case / capital letters, all lines start with capital letter     Front ring   Yes     design of the front ring   Standard     material of the front ring   Metal, high gloss
with capital letter   Front ring   product component front ring Yes   design of the front ring Standard   material of the front ring Metal, high gloss
product component front ring Yes   design of the front ring Standard   material of the front ring Metal, high gloss
design of the front ring Standard   material of the front ring Metal, high gloss
material of the front ring Metal, high gloss
color of the front ring silver
General technical data
protection class IP IP66, IP67, IP69(IP69K)
degree of protection NEMA rating 1, 2, 3, 3R, 4, 4X, 12, 13
shock resistance
acc. to IEC 60068-2-27 Sinusoidal half-wave 50g / 11 ms
vibration resistance
• acc. to IEC 60068-2-6 10 500 Hz: 5g
operating frequency maximum 3 600 1/h
mechanical service life (switching cycles) typical 10 000 000
reference code acc. to IEC 81346-2 S
Ambient conditions
• ambient temperature during operation -25 +70 °C
-20 10 0

environmental category during operation acc. to IEC 60721

3M6, 3S2, 3B2, 3C3, 3K6 (with relative air humidity of 10  $\dots$  95 %)

Installation/ mounting/ dimensions

height	29.5 mm
width	29.5 mm
shape of the installation opening	round
mounting diameter	22.3 mm
positive tolerance of installation diameter	0.4 mm
mounting height	11 mm
installation width	29.5 mm
installation depth	24.3 mm
Certificates/ approvals
