

ProVue Slim Magnifying Lamp **LED** w/Rolling Stand

Elegant and eco-friendly mobile design

Aven's ProVue Slim LED Magnifying Lamp, together with a heavy-duty floor stand that features a sturdy weighted base and five swivel casters, provides mobility and convenience for use in beauty salons, medical offices and hobby applications. The 30-inch pole height is ideal for standing or seated inspection. ProVue Slim's magnifier, which features 45 high-performance SMD LED lights and a 4.75-inch crystal clear 5-diopter (2.25x) glass lens, provides 360° distortion-free viewing. The slender and durable ABS plastic housing, with integrated handle for quick positioning, mounted to a 32-inch spring-balanced arm stays set securely in any position.

Features

- 45 high performance energy saving LED for shadow free illumination
- 4.75"(120mm)-2.25x (5 Diopter) crystal clear glass lens for 360 degree distortion-free viewing
- 32" (812mm) spring balanced arm stays put in any position
- 5 full swivel castors for easy mobility
- Designed for durability
