

**LUMOTAST 16 - Accesories, lens, transparent red****5.00.888.506/1300****General information**

Type Description	lens
Form of lens	conical mushroom form
Color of lens	transparent, red
Form of collar	round

**Dimensions**

Mushroom Diameter	30 mm
Dimensions of collar	ø 23,5 mm

**Mechanical design**

Contact function	latching
Illuminability	yes
Reset	-

**Mechanical characteristics**

Robustness max.	100 N
-----------------	-------

**Electrical characteristics of LED**

Operating voltage LED	false
-----------------------	-------

**Other specifications**

ROHS compliant	yes
REACH compliant	yes
