Introducing a NEW hardcase tool kit

Identifying the proper tools for a job, making sure that you have all of the necessary tools and storing them in such a way that they are quickly accessible, has been a timeless challenge. Especially, when working at a remote job site.

This new hard case tool kit with hard foam cut-outs for LMR-195, 200 and 240 goes a long way towards addressing the challenge. This is the first in a series of hardcase kits which will keep all of the tools required for a specific job all in one place. All it takes is a quick flip of the lid to make sure you have everything you need.
