

Floor and area marking solutions

Find the right material for your application needs and budget

Reliable floor and area marking solutions

Floor marking. It's a critical element in maintaining a safe, compliant and efficient workplace. Whether you're just starting out or taking your floor marking efforts to the next level, Brady offers a variety of good, better and best options to meet your long- and short-term floor and area marking needs. These floor marking options provide:

- High-visibility identification in a variety of colors
- Quick application and easy removal
- Compliance with OSHA and ANSI standards for floor marking

Find the right solution

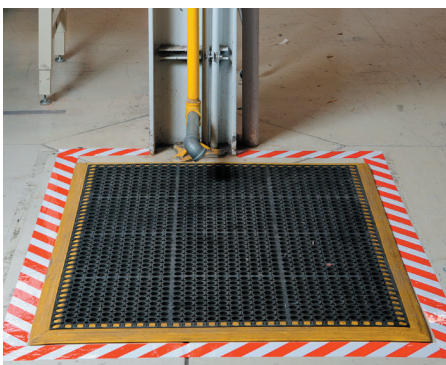

Get exactly what works for your application, durability needs and budget. Use the chart below and the information on the following pages to pick the right floor marking options for your facility:

	Solution	Key Features	Applications	Learn More
Good Tape				
	B-726 Vinyl Marking Tape	More cost-effective solution for short application period	Temporary marking for 5S/Lean areas, work cells that change and more	Page 10
Better Tape				
	ToughStripe® Floor Marking Tape	Longer application period with more shape and customizability options	Walkways and aisles	Page 5
Best Tape				
	ToughStripe® Max Floor Marking Tape	Highest durability	Higher forklift and industrial vehicle traffic	Page 4
Paint Stencil				
	PaintStripe™ Floor Marking Stencil	Paint stencil for longer, more permanent marking	Permanent work area designation	Page 11

Make every area easily visible

Our wide range of floor marking options can be used in a variety of areas throughout your facility, including:

- Aisle ways and traffic lanes
- Work cell outlines
- Equipment storage areas
- Material storage areas
- QA inspection areas
- Defects/scrap/rework areas
- “Keep clear” zones
- Hazard areas
- **New** – Area marking

**Best durability
for high-traffic areas**

ToughStripe® Max Floor Marking Tape

The most durable floor tape for identifying high-traffic forklift and industrial vehicle areas

ToughStripe Max offers improved durability in high-traffic areas, where sliding or dragging forces often occur, while maintaining the adhesive capabilities you've come to expect from our ToughStripe floor marking line. With this floor marking tape, you can rely on:

- Greater thickness for resistance to cuts and scrapes in high-traffic areas
- Durability in forklift and industrial vehicle traffic areas
- Aggressive adhesive performance when you need it; easy removal when you don't
- Tapered edges to minimize "pick points" and traffic bumps
- Easy installation with minimal tools

ToughStripe® Floor Marking Tape

Longer application period with more options for aisle and floor marking

ToughStripe floor marking products are ideal for marking aisles, passageways, storage locations and pointing out important safety equipment and egress paths.

- Rugged polyester with ultra-aggressive adhesive to withstand forklift traffic without tearing or lifting
- Low-profile design minimizes tears and scratches from skids, pallet jacks, etc.
- Easy one-person application with smooth, straight lines
- Stiff polyester with liner prevents tape stretching and reduces wrinkles and wavy, uneven lines
- Lots of variety with customizable colors and messaging, die-cut shapes and print-on-demand options

Good cost-effective,
temporary marking

B-726 Vinyl Floor Marking Tape

Cost-effective floor marking solution for short-term application

Brady's B-726 abrasion-resistant vinyl tape makes your facility safer, more visual and more efficient by adding colorful visual indicators to aisles and passageways, at a lower price.

- Pressure-sensitive rubber-based adhesive sticks tightly to virtually any clean, dry surface
- Ideal for temporarily marking aisles, passageways and storage locations and identifying equipment and egress paths

PaintStripe™ Floor Marking Stencil

Quickly apply clean, straight lines for permanent identification

PaintStripe floor marking stencils are ideal when paint is preferred, such as in areas with aggressive or abrasive traffic, or facilities that are unable to use aisle marking tapes due to wet floors, washdown conditions, floor-cleaning protocols or chemical exposures.

- Continuous and dashed-line formats, with line widths of 2, 3 or 4 in.
- Two adhesive types to securely mask edges and provide professional, permanent floor marking for industrial floors
- Printed cut-lines and a repeating 12 in. ruler facilitate accurate length measurement and rapid alignment of 90° corners

Lower adhesion (B-518) Ideal for clean, polished floors
