

PB Series - Push Button

The PB Series features modern, rugged enclosures made of glass fiber reinforced Polycarbonate, designed to protect and insulate 22.5 mm push buttons in dusty, corrosive and wet environments. Five different standard enclosures have pre-drilled mounting holes for up to five switches. Custom enclosures are available in different sizes and hole patterns to suit your specific application. Call Altech for further information.

- Universal fit for nearly all 22.5mm dia. push buttons
- Compatible with the EK and TK Enclosure Series
- Customization services available - design and quantity considerations may apply
- Proven technology with modern design
- Black cover screws are standard with all models
- IP66 / Nema 4X
- UV, weather and impact resistant
