Product Overview & Guides

KleenGuard™ Personal Protective Equipment (PPE) enables rather than inhibits – allowing for maximum productivity and safety for you and your employees. KleenGuard™ A10 Light Duty Sleeve Protectors are a terrific choice when you need to provide economical, disposable protection for workers who are exposed to dirt and grime in the workplace. They are protective wear designed for entry-level protection from hazardous dust and are 18" long. The lightweight polypropylene material is breathable for comfortable wear. These white, disposable sleeve covers are one size fits all (universal size) and have elastic on both the wrist and arm for a good fit. They are a popular choice for food processing, general maintenance and manufacturing. Making the right Personal Protection choice is difficult. Perform with distinction with KleenGuard™ Personal Protective Equipment (PPE).

200 sleeve protectors / case; Universal Size (one size fits all); White

KleenGuard™ A10 sleeve protectors are designed to help protect against dirt, grime and dust

A10 sleeve guards are made with breathable SMMMS barrier fabric (lightweight polypropylene material)

A10 sleeve covers are 18" long, have elastic arm bands and wrists, and serged seams

Used in food processing, general manufacturing and maintenance

About KleenGuard™

We understand how workers move, work, stretch and sweat. We call it human-centric engineering. And it's this industry-changing technology that separates KleenGuard® brand protective clothing, eye protection and hand protection from other PPE.
