Description

New Clear Bins! These economical shelving systems include **Super-Size AkroBins[®]**. All units feature a "sanitary" base that keeps debris and small parts from underneath the shelving.

Steel shelving units are manufactured from high-grade, 22-gauge steel with a powder-coated finish. Units are easy to assemble, using nuts and bolts only on the top and bottom shelves. Other shelves are easily assembled, and can be adjusted with compression clips.

Super-Size AkroBins Steel Shelving Systems are available with five different bin sizes.

- Shelving units measure 24" D x 36" W x 79" H and 30" D x 36" W x 79" H
- Available with 3, 4 or 9 shelves
- Weight capacity is 500 lbs. per shelf when assembled and installed according to instructions

Bin Colors: Red, Blue, Yellow, Clear
