

SILITEK TODAY

Today, Silitek has five divisions, Semiconductor, Plastic, Electronic assembly, Precision machine, and Rubber division.

1. Silitek specializes in rectifier manufacturing.
2. 80 million units production capacity per month gives us a leading position in this field.
3. We supply many famous OEM customers all over the world with high quality product at very competitive prices.
4. We export to worldwide markets in America, Europe, Asia etc.
5. Bridge with cell structure gives the highest reliability performance to our customers!

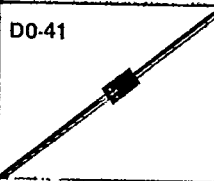

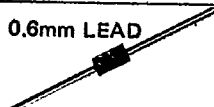

Head Office : 10Fl., No. 25, Tung Hwa South Rd., Taipei, Taiwan, R.O.C.

Keelung Factory : No. 28, Wu-Shin St., Ta Wu Lung Industrial Zone, Keelung

Tamsui Factory : No. 123-1 Hsia Kuei Jou, Tamsui, Taipei Shien.

Total Area : 21850m²
Capital : USD18,000,000
Employees : 1500
Founded : May 1978

ZENER BREAKDOWN DEVICES

PACKAGE	POWER (Watt)	PRODUCT	TYPE
 D0-41	1.0	Zener Diode	Z110 ~ Z330 IN4728 (3.3V) ~ IN4764 (100V)
	600	Transient Voltage Suppressor	P6KE6.8 ~ P6KE200
D0-201AD	1500		1.5KE6.8 ~ 1.5KE400
 0.6mm LEAD		Diac	D28 THRU D60
