

SM2 SERIES

The new Amphenol SMT D-Sub is offered in right angle, receptacle with brackets, as an industry standard for I / O connections.

New boardlock features:
 -LIF (Low Insertion Force) boardlock especially designed to be fully compatible with pick and place equipment.
 -ZeFo (Zero Insertion Force) boardlock has been designed so that once placed and expanded, secures the connector in place.

Applications

- Industrial
- Telecom
- Any industry standard I / O connections
