Benefits and Features

- **Molded External mounting brackets** allow the box to be mounted on a wall or panel without having to remove the cover and exposing internal components to the environment
- **Pre molded continuous Silicon gasket** with outstanding performance.
- Rugged #ADC-12 alloy die cast aluminum box
- **Available NEMA 6 (natural finish) & 6P (recommended powder coated Black for extra corrosion protection)**
- **Test results exceeded** the requirements in respect to IEC60529 **IP68** conditions (UL Type 6P tested under 6' of water for 24 hours)
- **Type 4,4X,6,6P,12,13 as listed under UL file #E194432**
- Cover attaches with **stainless screws torqued at 12 in-lb.**
- Easily machined and modified to your particular requirements
- Offers **EMC protection**

Accessories

- Aluminum internal panels **ANX-91xxx series**
- IP67 Cable glands **IPG series**
- IP67 Round vents – **IPV-67xxx series**
- IP65 Rectangular vents – **IPV-65xxx series**
