Wiring ducts and accessories from HelaDuct: optimum protection for cables and fitters.

Discover the advantages of HelaDuct wiring ducts system solutions with its special space-saving shapes: these unique wiring ducts are designed for height and give you more lateral space. They come with blunted edges that protect the cable insulation and make them safer to work with during installation and maintenance. HelaDuct products are used in switch cabinets and switching

stations and are very well suited to cables with small cross sections.
