

## GSM/GPRS Magnetic Antenna

PID: MIKROE-3378

Weight: 40 g

This straight **GSM/GPRS Magnetic Antenna** is an excellent choice for GSM/GPRS click boards from our offer. The antenna has a magnetic base so it can be attached to any metal surface. It is equipped with 2m of cable, with an SMA connector on its end, allowing it to be connected to the Click board™ or the female SMA module connector. With 2m of cable, it offers a great freedom in placing the antenna.
